

## Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

### Australia – Victoria

### No. 016 (T) of 2019

## BASS STRAIT – EAST GIPPSLAND – SNOWY RIVER

**Date:** EFFECTIVE 1 FEBRUARY 2019

**Details:**

Mariners are advised of works being undertaken by Cooper Energy involving umbilical installation activities on a transit line between the Sole wellhead location in Commonwealth waters and the end of the previously installed nearshore pipeline in Victorian State waters in the Gippsland Basin (a few hundred meters off the coast of the existing Orbost Gas Plant at Newmerella).

The vessel 'Skandi Acergy' (call sign 2BEJ5) and support vessels are laying umbilical between the following positions (GDA 94):

37° 48' 30.51" S, 148° 26' 13.55" E (vessel 'Skandi Acergy' set up)

37° 52' 7.63" S, 148° 26' 16.33" E (umbilical turning point)

38° 6' 1.20" S, 149° 0' 31.83" E (to the drill centre)

Please see attached **Map 1** showing approximate location of the activity.

Mariners are advised to avoid navigating along the transit line and within the vicinity of the vessel 'Skandi Acergy' until all installation activities are completed.

Mariners should maintain a listening watch on VHF Channel 16.

For further information regarding the activity please contact Liz Sully, Project HSEC Lead, Cooper Energy, on telephone 0411 018 024 or (WA) 08 6556 2102.

**AUS Charts and publications affected:**

AUS 357

**Victorian Charts and publications affected:**

Nil

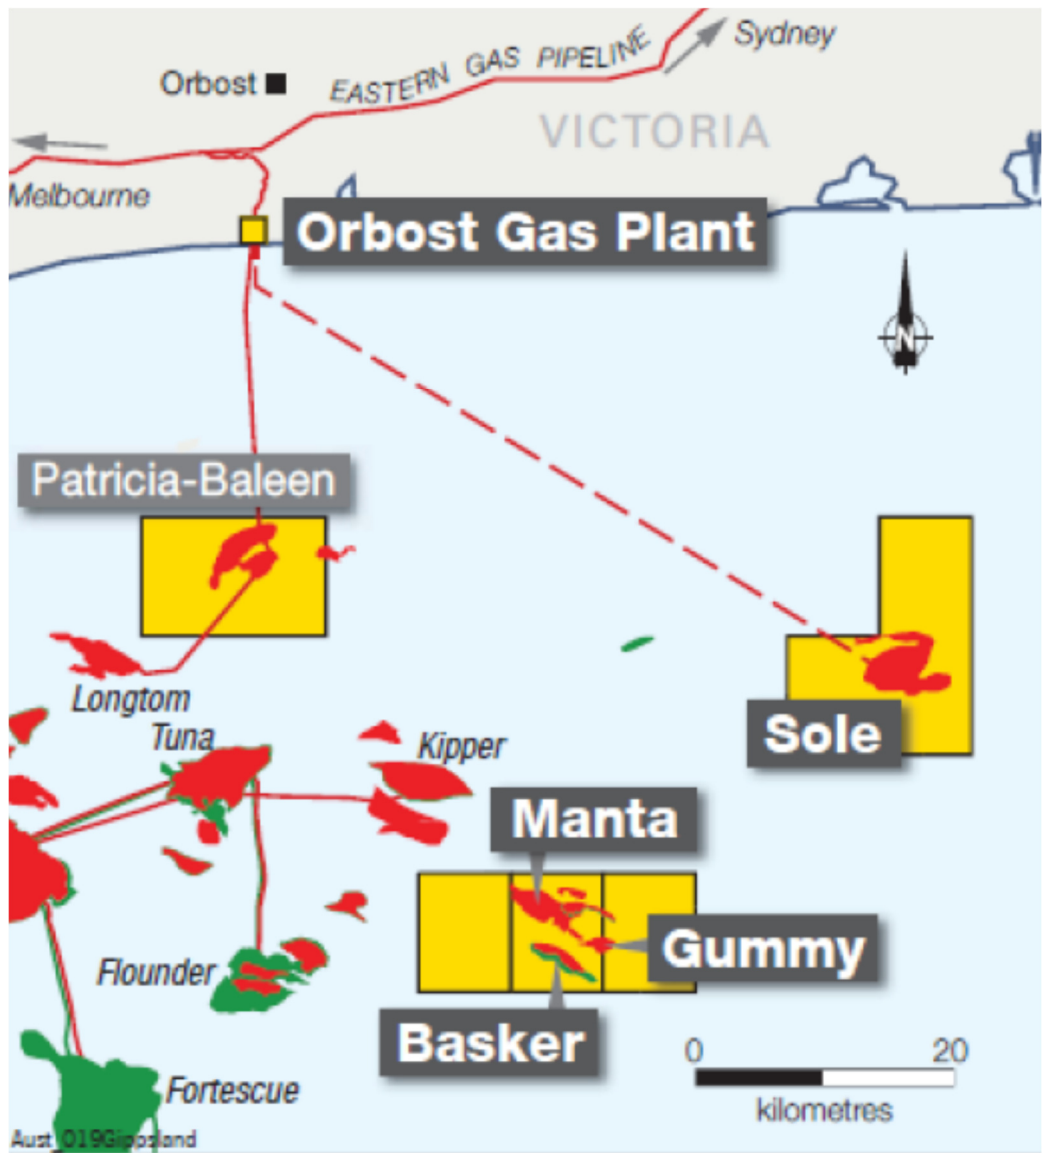

**Further notice:**
