

## Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

### Australia – Victoria No. 127 (T) of 2019 BASS STRAIT – PORT FAIRY

**Date:** EFFECTIVE IMMEDIATELY

**Details:**

Notice to Mariners No. 281 (Temporary) of 2018 is referred and cancelled

Mariners are advised the Wave Rider buoy established in position: 38°22.914'S,  
142°17.2332'E (WGS84) will remain in place until 31 December 2020.

The yellow buoy measures 42 cm in width and is attached to two (2) orange floats, then anchored at a depth of 28 metres. It will display an amber light with characteristic: Fl.Am.2.5s.

The Wave Rider buoy is measuring swell heights as part of a project undertaken by Deakin University.

Mariners are further advised to keep clear of the area.

**AUS Charts and Publications Affected:** AUS 141, 349

**Victorian Charts and publications affected:** Nil

**Further Notice:** A further Notice will be issued.

**Further Information:** For further information contact School of Life & Environmental Sciences, Deakin University, Warrnambool Campus, telephone (03) 5563 3527.
