

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 25 June 2019
Australia – Victoria

No. 154(T) - 2019

Local Port of Port Phillip

Little River
South East of Little River – Deployment of Water Quality Monitoring Station

Date: Immediate

Details: Mariners are advised that a water quality monitoring station has been deployed south east of Little River at approximate location: 38°01.040'S, 144°37.950'E (WGS84).

The water quality monitoring station is marked by a yellow special buoy with the following characteristics: FLY.5s. The monitoring station will remain in place for approximately 2 years.

Mariners should navigate with caution around the monitoring station.

Charts & Publications

Affected: AUS 143, 155.

Further Notice: A further Notice will be issued.

If you require any further information, please contact Melbourne Water on 0400 515 892.
