Australia – Victoria

No. 067 (T) – 2020

PORT OF MELBOURNE – YARRA RIVER

PORT PHILLIP FERRIES – WAKE WASH MEASUREMENT TRIALS

Date: 24 February 2020

Refers: 312 (T) - 2019

Details: Port users are advised that the Port Phillip Ferries (PPF) operated *Geelong Flyer*, will conduct a series of trial runs between the Westgate Bridge and Swanson Dock Swing Basin for wake wash measurements on Monday 24th Feb 2020 from 1300 to 1700. The runs will be conducted at speeds between 6 and 15 knots and in various transit lanes details in the graphic below. The trials will be conducted around commercial vessel movements.

During the wake wash measurement run, the *Geelong Flyer* will be exempted from the speed limit of 6 knots when operating on the waters of the Yarra River between the southern dripline of the West Gate Bridge and the Western drip line of the Bolte Bridge.

Port users can provide feedback on the trial direct to PPF, or to Maritime Safety Victoria via email: waterways@transportsafety.vic.gov.au.

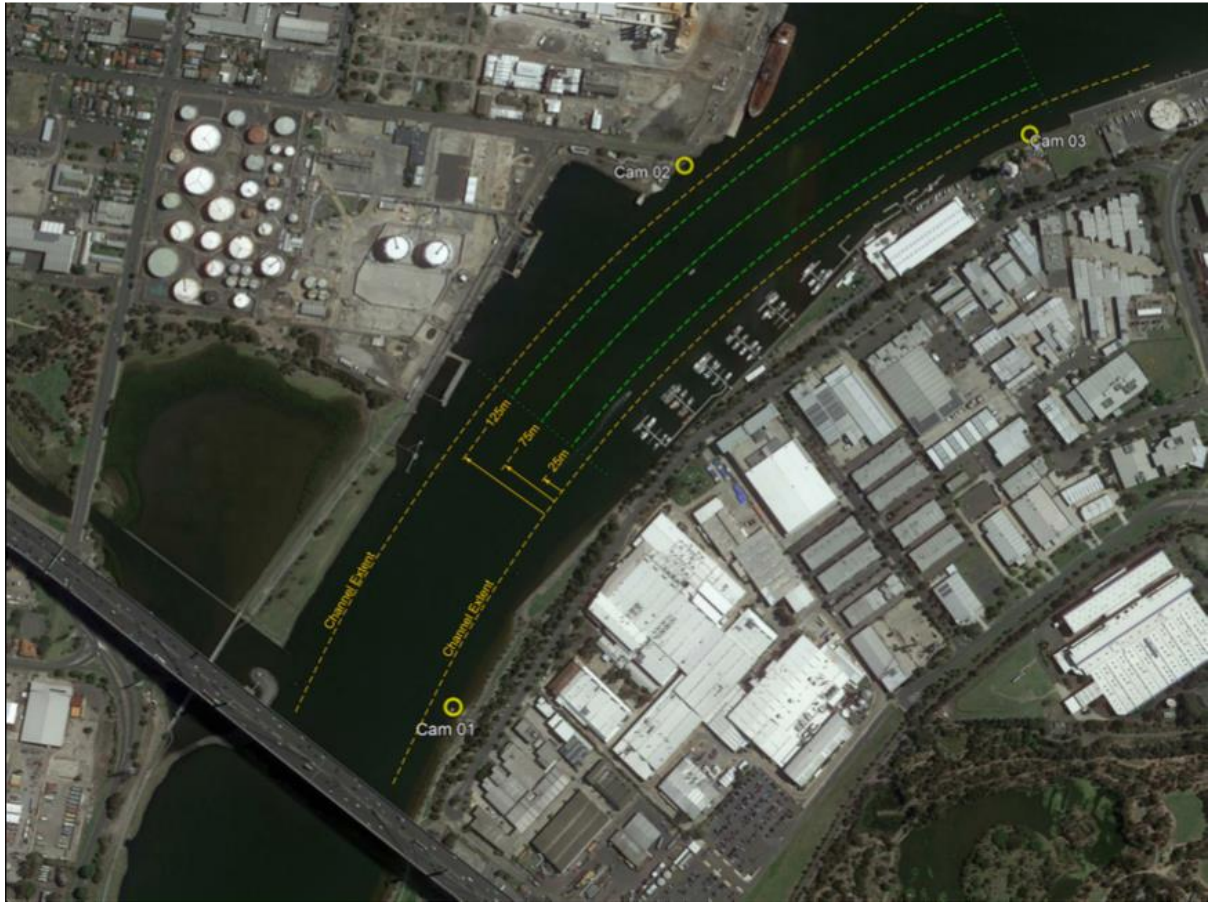

For further information contact Melbourne VTS on 9644 9700.

Publications affected: AUS 158

Further notice: Further notice will be issued.

Andrew Hays
Deputy Harbour Master

This notice is a direction of the Harbour Master pursuant to section 232 of the *Marine Safety Act 2010* (Vic)
The requirements of section 232(2) have been taken into account.
