

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Australia – Victoria

No. 145(T) of 2022

VICTORIAN COAST

Marine Radio Victoria –Towers Inoperative

Date: EFFECTIVE IMMEDIATELY

Details: Mariners are advised that there are temporary outages of Marine Radio Victoria transmission at various locations across eastern Victorian coastal waters:

- Mount Tassie Tower – loss of communications
- Nowa Nowa Tower – loss of communications
- Mount Cann Tower – loss of communications

This will result in limited services available along the eastern Victorian Coast from the west of Woodside through to the east of Cape Howe on VHF emergency channels (including digital selective calling).

Restoration time for the towers is currently unknown.

AUS Charts and Publications Affected: AUS 181, AUS 182, AUS 487, AUS 357, AUS 805

Victorian Charts and publications affected: Nil

Further Notice: A further Notice will be issued.
