

The following Notice to Mariners is published for general information.

Victorian NTM 521(T) 2023 Western Port

Under Water Sound Recorders Deployed

Effective 12th December 2023 .

Details: Mariners are advised that an under water sound recording device has been deployed on the sea bed until June 30th 2024, in each of the following two locations:-

S 38° 25.7', E 145° 16.1', (North Arm) and S 38° 16.8', 145° 14.8', (Eastern Anchorage). Each device measures approximately 1m x 1m x 0.7m with no buoys or attachments in the water column.

Mariners are requested to avoid anchoring in the vicinity of these devices.

Chart Affected: AUS 151.

Further Notice: This Notice is self cancelling

Capt. Martin Leavold

Deputy Harbour Master

Port of Hastings
