Date: 18 December 2024

Reference: *Marine Safety Act 2010 (Vic)*
Harbour Masters Directions 2020 - Geelong – section 4.6 Towage and wind speeds

Details: For all vessels departing Lascelles berth #3:

1. Clear Berth Ahead

A berth at Lascelles Berth #3 will only be considered "clear" for operations when no vessels are berthed at Lascelles Berth #1 or Berth #2.

2. Towage Requirements for Departure

When a vessel is berthed at Lascelles Berth #1, the towage requirement for Lascelles Berth #3 shall be two tugs for departure operations.

This notice serves to clarify berth and towage procedures for vessels operating within the Lascelles berth facilities. Mariners are urged to adhere to the outlined requirements to ensure safe and efficient operations.
